EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 10-18 have been canceled.

Allowable Subject Matter

Claims 1-9 and 19-20 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record, taken alone or in combination, fails to disclose or render obvious an apparatus and method for projecting fringes that includes, a collimator in optical communication with two sources, said collimator generating two substantially collimated beams of broadband radiation, a diffractive grating in optical communication with said collimator, and a lens in optical communication with said diffractive mating, wherein said lens generates two images of radiation having a spatial distribution of spectral regions (claim 1), or providing two sources of radiation separated by a distance and moving one of said sources relative to the other of said sources (claim 19), in combination with the rest of the limitations of claim.

Art Unit: 2877

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
